## Wellness Overview | Caring • Expert • On-Site

Our compassionate, talented medical team is ready to assist.

**On-Site Medical Care:** We offer a comprehensive, on-site physician's office, open flexible hours, Monday through Friday. Each person's health needs are handled with care, concern, and dignity, with internal medicine, podiatry, rehabilitation, and audiology services available. A nurse is also on call for all residents 24/7.

**Jefferson Hospital Support:** Residents will feel secure with the attention of an on-site physician, expertly staffed by Jefferson Hospital. Services are available by appointment and for walk-ins.

**Rehabilitation Services:** If rehabilitation care is needed, our on-site therapy services can assist with any treatment level. We offer inpatient and outpatient services to everyone in our senior living community.

**Wellness Team:** Our knowledgeable, compassionate wellness staff is here to serve a range of needs. Comprehensive medical care is offered based on each person's health requirements, with flexible healthcare options available. 24/7 nurse availability is open to all residents for added peace of mind.
